CHOICES YOU WILL HAVE :

3. Stretched or Rolled

Rolled Canvas

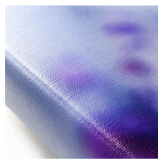

3/4"

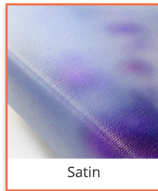

1.5"

4. Choose Your Canvas Surface

Gloss

Satin

Metallic Canvas

6. Floating Frames

A gallery-wrapped print (1.5" depth) is placed inside a 2" deep frame. The frame extends out 7/16" around all four sides. This inset leaves a 3/8" gap of space between the canvas and the frame, thus creating a 'floater frame' look. [View Diagram.](#)
